Rain or Shine,

The station agent is on duty. On his exact communication of train orders depends thousands of lives, and millions of dollars in property, each day. In his haste he runs out in the rain or the snow hatless and unprotected. Then comes the sequel—bronchitis, or some other disease of the respiratory organs. The most effective remedy for bronchial or pulmonary disease is Doctor Pierce's Golden Medical Discovery. Almost all remedies prescribed for such diseases contain opium or some narcotic which soothes by stupefaction. "Golden Medical Discovery" contains neither narcotics nor alcohol. It stops coughing by curing their cause. It heals weak lungs, builds up wasted tissues, and restores the health of every organ of the body.

"I am a railroad agent," writes I. B. Jones, Esq., of Barclay, Osage County, Kans. "Four years ago my work keeping me in a warm room and stepping out frequently into the cold air gave me bronchitis, which became chronic and deep-seated. Doctors failed to reach my case and advised me to try a higher air, but, fortunately for me, a friend advised me to try Dr. Pierce's medicines. I commenced taking your 'Golden Medical Discovery,' and by the time I had taken the first bottle I was better, and after taking four bottles my cough was entirely gone. I have found no necessity for seeking another climate."

Dr. Pierce's Pleasant Pellets regulate the stomach, liver and bowels.

FOR MY LADY.

Several shades of one color are to be worn on evening dresses.

A curious novelty originating in Paris is a striped cloth gown with checked sleeves.

Velvet or cloth applique upon cloth are to be the idols of the coming season and it is rumored that flounces upon the skirts and capes are to go.

There are two shades recognized by authorities for coats. One will be three-quarter length with the basque fitting tightly on the hips; the other will reach just three inches below the waist.

Jewels are to be more popular than ever this autumn. We are to have rings on our fingers and chains on our toes in the greatest profusion, while pearls are to be essential to the winter costume. The enthusiasts will wear two rows of these fastened in front of their hair, with a Louis Seize bow of black ribbon velvet.

The really wise woman will supply herself at once with a black dress trimmed with many lines of silken braiding; the skirt of this might be crossed on the left hip and outlined with sealings down one side and on the edge of the shaped flounce. With a short coat this should have a scalloped basque and collar, and the shoulder pieces should be cut in one with small epaulets.

Notice.

Notice is hereby given that on or after August 1, 1899, the office, or room, occupied by the County Assessor situated in the county building, next door to the store now occupied by Joseph Platt, will be for rent. For particulars apply to

GEO. W. COWING,

Clerk of Board of County Commissioners.
